**"According to our constituents, the greatest area of need for our recreation program is field space."**

Rockbridge Area Recreation Organization (RARO) offers a comprehensive youth sports program for residents of Rockbridge County and the cities of Lexington and Buena Vista in Virginia. RARO is in need of adding additional playing fields to support its growing sports program. It plans to raise approximately \$80,000 through Red Basket to pay for the development of the Brewbaker Annex multi-purpose athletic field site.

Please consider making a
